Event: Clue-Minati

Description

Darshan University Department of civil engineering is pleased to invite students to Participate in the Event ClueMinati. **ClueMinati,** the idea of hunting for hidden treasures has always been exciting and adventurous. The team who decodes the clue and finds the treasure first will win the game. The game of **ClueMinati** comes from the concept of scavenger hunting where participants have to find number of items from the list provided to them. **ClueMinati** can be a Great team building activity because it involves a variety of challenge and everyone thinks differently. In a **ClueMinati** event, each team received a set of clues. The clues may involve word play, puzzles, Math, technical question and other fun challenges.
