

# Event: ACCATHON

---

## Description

ACCATHON is a competitive event where participants are required to create a Trading Account, Profit & Loss Account and Balance Sheet based on provided data. It offers students a platform to demonstrate their proficiency in accounting and Tally Prime software. This competition serves as an excellent opportunity for students to showcase their skills in a real-world scenario.

## General Rules

1. Each team may consist of a minimum of 2(two) and a maximum of 4(four) participants. A total of minimum 30 and maximum 40 teams will be allowed to participate on a first-come, first-served basis.
2. Basic knowledge of Tally Prime, Accounting concepts and Journal entries are required.
3. Participants are required to pay a registration fee of Rs.200/- for a team.
4. Computer with installed Tally Prime Software will be provided to each team.
5. There will be only one round in competition.
6. The 1st, 2nd and 3rd place winners will be determined based on the accuracy of their Trading Account, Profit & Loss Account and Balance Sheet, considering either the exact or closest answer, as well as the speed and timeliness of their submission.
7. The decision taken by the Institute and Event coordinators/ Judges will be considered as final.
8. Reporting time will be 8:30 AM on the day of Event.
