

Event: ElectroQuiz

Description

ElectroQuiz is an electrifying technical quiz competition designed to challenge and engage participants with their knowledge in the field of electronics, electrical engineering, and related technologies. The quiz will be conducted in multiple rounds, each progressively increasing in difficulty, testing the depth and breadth of the participants' knowledge.

General Rules

1. This event is only for Diploma students.
2. Participants can compete individually or in teams of up to 2 members.
3. Quiz Structure:
 - The quiz will be conducted in three rounds, with each round focusing on different aspects of electrical and electronics.
 - The first round is “Picto-Quiz”, where the participants are shown a picture and are required to identify the given picture.
 - The second round is a “Crossword”, which consisted of 10 questions related to various electrical devices and SI units.
 - The third round is “Word scramble”, where all the letters of the word are jumbled and the participant has to make a meaning full electrical device or a phenomenon.
4. Each question or round will have a specific time limit. Participants must submit their answers within the allotted time. Exceeding the time limit may result in disqualification from that round.
5. Points will be awarded for each correct answer. The scoring system will be explained at the start of each round. In case of a tie, a tiebreaker round will be conducted to determine the winner.
6. Participants are not allowed to use any external resources such as books, internet, or mobile phones during the quiz. Any form of cheating will lead to immediate disqualification.
7. The result will be decided on the basis of the total score of three rounds.
8. Judges' decisions will be final.
9. Reporting time will be 08:30 AM on the day of event.
